

The logo for Charles Guitars features the brand name in a white, elegant cursive script. The text is centered and set against a dark, horizontal background that has a subtle, glowing gradient of red and orange, resembling a sunset or a flame. The overall aesthetic is professional and artistic.

COVID-19

As we continue to receive unsettling news regarding COVID-19 we just wanted to let you know that we are taking preventative measures when handling your order.

We are working closely with our suppliers to maintain inventory levels and to keep as much as possible in stock all the time.

As you can see from our Facebook page, we continue to wire kits, age components and are carrying on as normal. We will continue shipping as normal while the Post Offices are accessible. Please go to the “Delivery Update” link for the latest on shipping.

We would ask for your understanding and patience if your package does not arrive as expected, you have the option of choosing a tracked service and we would recommend that you do so. This way we can at least see where it is, and you will get an email with your tracking number.

We wish you all well and our thoughts are with all those who are struggling during these difficult times.

Stay safe.
