

The logo for Charles Guitars features the brand name in a white, elegant cursive script. The text is centered within a dark, horizontal banner that has a subtle, glowing gradient of red and orange, suggesting a guitar body or a flame finish. The banner has a slight 3D effect with highlights and shadows.

COVID-19 DELIVERY

After the announcement on further restrictions the post offices are still operating and so we are shipping as normal with Royal Mail in the UK and its various partners in Europe and Worldwide, though you can expect parcels to take a little longer to arrive.

Should this change then we have in place other shipping options and will replace this notice with another to advise of any changes.

You will know of a change because the link colour in the banner will change

We would ask for your understanding and patience if your package takes a little longer than expected as all services are under pressure. You can email us and as usual we will do our very best to reply in a timely fashion.

Stay safe.
