SHIPPING CUT OFF

If it is getting close to our shipping cut off and you need your order shipped before then, here are a few things to bear in mind.

WHEN IS THE CUT OFF

The order cut off is 17th December subject to the below, however, if possible, we will try to ship orders placed later.

SHIPPING VIA COURIER

If your order is to ship via courier, then you should place your order at the latest a two of days before the cut off otherwise we may not be able to arrange a collection in time in which case we will ship at the end of the cut off period.

VINTAGE RELIC AND AGED PARTS

We make all the Vintage Relic and Aged parts here in small batches so if you are getting close to the cut off and you want your order shipped before the deadline, you should message us first to check that we can ship.

PREWIRED KITS

All prewired kits are made to order and even though we turn them around in a day or two if it is getting close to the cut off and you want your order shipped before the deadline then you should contact us first to confirm.

USA ORDERS

Orders to the USA shipped via post require the payment of duty prior to shipping so you need to place orders at least 2 days prior to allow for the payment of duty. See *more info>shipping>shipping to the USA*.

DURING THE CUT OFF

ARE YOU TAKING ORDERS

Yes, the Website is open and taking orders that we will ship from the cut off end date. It may take us a few days to catch up so please bear with us.

WILL YOU ANSWER MY QUESTIONS

We try to keep up with your questions but if the response is not a speedy as usual, again please bear with us we will get back to you.

TRACKING MY ORDER

We will not be able to track your order so it is very important that you track it and especially in the case of **international** orders where items can be delayed in customs and your local delivery service may not leave a card if they have made a delivery attempt. Please keep on top of your parcels progress.

RETURNS

If you need to return an item, you should send it to arrive AFTER the cut off otherwise it may be returned to you.

Seasons greetings, Jeremy and Suzanne.
