

The logo for Charles Guitars features the brand name in a white, elegant cursive script. The text is set against a dark background with a horizontal gradient of colors, including shades of red, orange, and yellow, which suggests the body of a guitar. The logo is centered and has a slight shadow effect.

SHIPPING TO THE EU AND REST OF THE WORLD.

We are shipping as normal to the EU and the rest of the world.

Shipping to the EU.

Orders shipped to the EU are now free of 20% VAT which is deducted at checkout. All packages sent by post are fully compliant with the new regulations with a CN22 for parcels under £270 value and a CN23 for parcels over a value of £270.

Orders shipped via courier have all the necessary documentation. We would recommend this service for orders required in a timely fashion as these services have their own clearance procedures and enhanced tracking.

Shipping to the Rest of the World.

There is no change in shipping to the “Rest of the World” though we do recommend selecting a tracked service even for low-cost items and the courier service for anything higher priced as they have superior tracking compared to post.
